Part of the Network's "Spring into Love" Programming Event

**Screen Actors Guild Award Winners and Emmy Award Nominees
Eriq La Salle and Gloria Reuben Reunite On-Screen for the First Time
Since Starring Together in the Hit Medical Drama Series "ER"**

STUDIO CITY, CA – March 9, 2022 – Gloria Reuben ("ER," *Lincoln*), Alvina August ("Nancy Drew"), Jarod Joseph ("Rogue"), and Eriq La Salle ("ER," *Coming to America*) star in "**A Second Chance at Love**," a new, original movie premiering **Saturday, March 26 (8 p.m. ET/PT)**, on Hallmark Channel.

On the surface, Alicia (August) and Arnold's (Joseph) marriage is picture perfect, however, there is something amiss. Arnold is ready to grow their family, but subconsciously Alicia is hesitant to the idea. Rather than face the problem head on, Alicia, the self-proclaimed "love doctor," immerses herself in her divorced parents Jack (La Salle) and Brenda's (Reuben) dating affairs by setting them each up on a blind date dating app.

"A Second Chance at Love" is from Nasser Group North Productions. Kimberley Wakefield, Jacob Nasser, Joseph Nasser, Danial Nasser, Danny Webber and Jack Nasser are executive producers. Tara Cowell-Plain is producer. Alfons Adetuyi directed from a script by Chad Quinn.
