Emilia’s (Henstridge) past returns with a vengeance when her ex-fiancé, Franklin Trask (Kris Mochrie, *Ordinary Lies*), rents out the island for a VIP weekend with his wife, football-star brother, and high-powered finance crew. A suspiciously quick game solve raises red flags—but the real shock comes the following morning, when a guest turns up dead and Emilia becomes the prime suspect. As tensions rise, Emilia and Jason (Weber) find themselves on opposite sides of the investigation... while Franklin seizes the chance to reignite old flames.
