'THE BLESSING BRACELET'  
A NEW ORIGINAL PREMIERING APRIL 9, ON HALLMARK MOVIES & MYSTERIES**

STUDIO CITY, CA – March 28, 2023 – Amanda Schull ("Suits") and Carlo Marks ("A Kismet Christmas") star in **"The Blessing Bracelet,"** a new DaySpring movie premiering **Sunday, April 9 (7:00 p.m. ET/PT)**, exclusively on Hallmark Movies & Mysteries.

Dawn Spencer (Schull) approaches the Easter holiday trying to balance being a single parent while working to get out of the debt left behind by her ex-husband. Feeling overwhelmed, Dawn unearths a bracelet she made years earlier and stored away. She created it using four beads with the intention of using each one as a reminder to count the blessings in her life. As Dawn begins to focus on the good, her faith is renewed, and her life takes a positive turn. Thanks to the support of Dawn's church community and the encouragement by Ben (Marks), who recently came into her life, the blessing bracelet helps take her down a path she never could have imagined.

"The Blessing Bracelet" is from Hallmark Media. Joey Plager is executive producer. Charles Cooper is producer and Allen Lewis serves as supervising producer. Michael Robison directed from a teleplay by Patrick Ziegler & Theresa Thome and Michael Grimm, inspired by Made as Intended jewelry.
