STUDIO CITY, CA – August 11, 2022 – Hallmark Mahogany presents **"To Her, With Love,"** a new original starring Skye P. Marshall ("Good Sam," "Chilling Adventures of Sabrina") and Tobias Truvillion ("One Life to Live," "Sand Dollar Cove"), and premiering **Sunday, September 11 (9 p.m. ET/PT)**, on Hallmark Movies & Mysteries. Hit singer-songwriter Shanice Wilson-Knox ("Pose") appears in a cameo role as herself in the movie, which celebrates the lifechanging power of the arts and dedicated teachers.

Kayla (Marshall) heads back to her hometown of Stoneville, North Carolina, after her substitute teaching job at an elite, private high school comes to an early end. On her first day back, her loving yet inquisitive mother (Maria Howell, *Hidden Figures*) sets up a job interview at her high school alma mater. Kayla, who ultimately wants to get into a competitive teaching program in London, is hesitant to apply. However, when she is offered the job on the spot, shortly after learning that her high school best friend Tanya (Brittany L. Smith, "Sweet Magnolias") is a teacher there, she quickly accepts. When Kayla initially struggles to connect with her students, Jordan (Truvillion), a jack-of-all-trades teacher who is devoted to supporting underserved students, steps in to help. Though reluctant to accept his input at first, she is soon inspired to try a fresh approach to help each of her students tap into their unique artistic passions and her students begin flourishing. When Kayla learns the school may be cutting the arts department due to budget cuts, she and Jordan work together to set up a fundraising showcase, with a little help from her longtime friend Shanice Wilson-Knox. Soon, sparks are flying between Kayla and Jordan as they discover a shared love of teaching, service and Sidney Poitier movies. However, when Kayla receives some teaching opportunities that would take her away from Stoneville – and Jordan – she finds that her heart may still have a few things to teach her about what will make her happy.

"To Her, With Love" is from Hallmark Media. Beverley Gordon is executive producer. Daniel Lewis is producer and Eric Upshur is co-producer. Stan Foster directed from a script by Tyler Straessle.
