STUDIO CITY, CA – December 1, 2022 – Nikki DeLoach ("Curious Caterer Mysteries") and Brennan Elliott ("UnREAL") star in "**The Gift of Peace,**" a new DaySpring movie premiering **Saturday, December 10 (10 p.m. ET/PT)**, exclusively on Hallmark Movies & Mysteries as part of the network's annual "Miracles of Christmas" programming event.

Traci (DeLoach) is an artist who was a once-devout Christian but stopped believing in God after her husband tragically died despite her prayers. As her second Christmas without him approaches, her creative spark has dimmed right before her important Christmas Eve gallery showing. Seeking refreshed inspiration and missing her husband, she joins a support group one night, only to discover it's a faith-based gathering. Realizing she chose the wrong group, Traci leaves abruptly. While Christmas shopping a few days later, she runs into Michael (Elliott), the leader of the group, and apologizes for running out. He convinces her to give the session another try and if she still feels the same way, she doesn't have to stay beyond Christmas. Although skeptical, Traci agrees. As she participates in Christmas activities related to each week's theme of comfort, peace, hope and joy, she bonds with her vibrant, new spiritual community and her art becomes more inspired. Traci finds the strength to keep moving forward and open her heart again, realizing that true faith is more than just answered prayers and that love surrounds us, always.

"The Gift of Peace" is from Hallmark Media. Beth Miller is executive producer and Charles Cooper is producer. Fred Gerber directed from a script by Michael Grimm and Tyler Straessle.
